CBSE Affiliated & Govt. Recognized Sr. Sec. School

A Fully Air-conditioned School

C-Block, Dilshad Garden, Delhi-110095

“Congratulations!!!

“This is not a surprise for us to see your success. Success is all yours, right from day one when you all started dreaming.”

QGIS Family congratulates all the winners, their mentors who worked tirelessly to yield wonderful performances and the schools who are the driving forces behind every victory. We, at QGIS believe that victory is not attained overnight but it is never ending, continuous and cumulative efforts of the students, mentors and the school as a team. In these times when the personal interaction is so limited we can not overlook the role of parents as the motivating factor and school IT departments as the guiding light.

*We acknowledge and appreciate the efforts of each and everyone associated with
AXUJYOT!!*
